

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment that are known within the business as strong and durable machines that suits all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind version of floor scrubber together with the Clarke Company that is now also owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These scrubbers are available in the market under the brand name "Encore". American Lincoln could provide warranty service, machines and components for these scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of many facility managers where results and efficiency make a difference. Lately, this floor scrubber model has been used by the architects in various construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this particular sweeper scrubber on location due to the model's utmost performance level and high standard of quality for polishing concrete.
