

Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on attaining complete client satisfaction when their client is enjoying one of their various trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to offering high value and detail-oriented quality values to their customers. Incorporating a rich heritage combined with resilient production principals, Nissan Forklifts provide some of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to keep up with worldwide forklift demands. Committed to offering customer support, the business has four independent manufacturing facilities that permit them to continually adapt to their clients continually evolving requirements by offering a range of progressive ideas and designs.

The Nissan Lift truck North and South American base is situated in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the collaboration, design and fabrication of their goods. Working under the ISO-9001 and ISO-14001 certifications, enables each sector of the Nissan Forklift Corporation to preserve environmental accountability by using techniques that minimize the global impact of their goods and processes. These high values remind customers that Nissan operates under the quality seal that their consumers command while being an environmentally responsive organization.

Nissan is certain that they will be capable of addressing any customer queries or concerns. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their warmth and commitment.
